Mr. & Mrs. Charles M. Royce
8 Sound Shore Drive
Greenwich, CT 06830

Dear H.F. Board Members and Mr. & Mrs. Royce:

Our 7th graders are eagerly awaiting the annual campout trip to Camp Chingachgook. Many of our 12th graders are equally excited to attend as peer counselors; to experience the same trip they themselves participated in as 7th graders in a completely different role. Once again, your generous donation (\$10,104.00) will enable the students to have this leadership/outdoor education experience.

The school and community at large are indebted to both the Hunter Foundation and the Royce Family for the support, contributions and investment in this area we all love. This program intertwines outdoor learning opportunities with the development of leadership skills that are so very important to compliment the academic preparation of young boys and girls.

Please accept my deepest gratitude and appreciation for your generous support of our children.

Sincerely,

Dr. Patrick Darfler-Sweeney
Superintendent of Schools
